

An Endearing Home

Window Safety Day

Windows are subject to wear and tear as we open and close them every day, and window parts can become loose or defective, causing them to detach and fall. Remember to check your windows every half a year (6/6 and 12/12), and engage an approved window contractor to repair them if necessary. More information can be found [here](#).

Launch of free Wi-Fi network in Tampines Street 21

Tampines residents can now access free Wi-Fi service around some areas of their estate! The Tampines Merchants Association launched a free Wi-Fi service in the neighbourhood for business owners and customers on 2 Dec 2016.

Launch of Jurong Lake Gardens Public Exhibition

With the award of the design consultancy tender for Jurong Lake Gardens (JLG) Central and East in October 2016, NParks has launched an exhibition to gather public feedback on the [winning consultant team's proposal](#). As Singapore's new national gardens in the heartlands, JLG is envisioned to be a people's garden where spaces will be sensitively landscaped and created for families and the community to come together.
